Mini-Vise

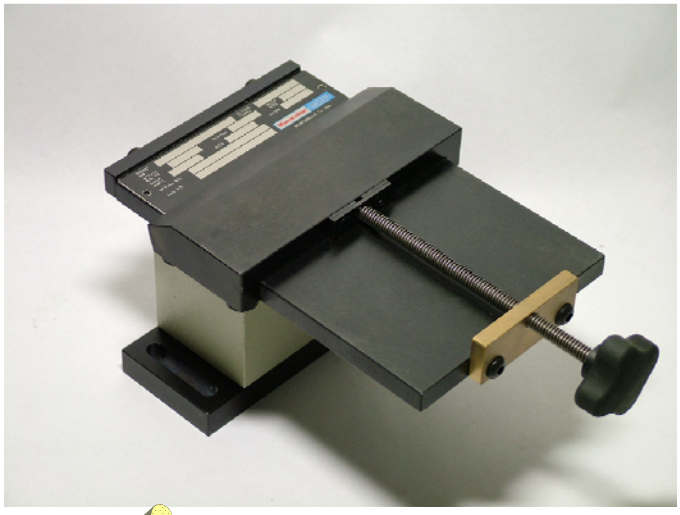
Engineered Tag and Small Part Vise

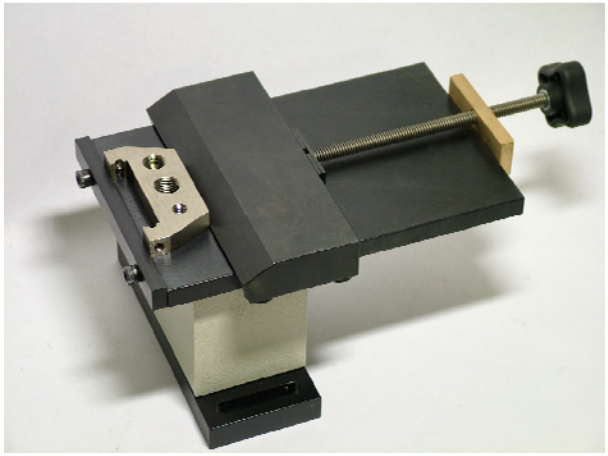
The Mini-Vise is designed to streamline your nameplate and tag marking operation using a precision vise that supports and gently clamps and holds down your product during the marking operation.

Available in two sizes:
MV-44 (4” x 4”)
MV-64 (6” x 4”)

Features precision ground tool steel construction.

Ideal for holding awkward small machined parts





Features:

- Designed for thin product
- Floating moveable jaw
- Tapered jaws (both) to “hold down”
- Fits onto optional T Slot table
- Adjustable slotted base mount
- Ergonomic twist knob clamping
- Ideal for delicate aluminum tags
- High wear bronze nut block
- Removable stationary jaw
- Full back-up support of product
